Re: Proposed Annexation of Property
East of Otis Avenue to the City
of Bell

Dear Sir:

At the meeting held on April 23, 1958, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of April 11, 1958, of the proposed annexation of territory to the City of Bell.

Although the boundaries submitted do not create islands or corridors of unincorporated territory, and conform with lines of assessment as nearly as practicable, upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,

**GORDON T. NESVIG, Secretary
COUNTY BOUNDARY COMMISSION**
